Unenforceable provisions

If any provision of this website disclaimer is, or is found to be, unenforceable under applicable law, that will not affect the enforceability of the other provisions of this website disclaimer.

SECURITY POLICY

Your security & privacy is our number one concern.

We have one of the most secure transaction applications available today.

Our Ecommerce application features the following advanced security technologies:

- E-Gateway - our credit card payment gateway ensuring your credit card details are recorded in a highly secure 128 bit encrypted environment.
- Browsers are required to use a minimum of 40-bit SSL (Secure Socket Layer) technology.
- Digital certification to verify integrity and authenticity from this website.
- Encrypted card details are sent with your order to our accounts department for processing. All card details are erased from record as soon as your order is processed. Eliminating the risk of your credit card details being captured and used by unauthorised people. Every order is checked, by our accounts department before processing to reduce the possibility of credit card fraud.
- Ecommerce functionality is programmed and maintained by Mantis Technologies. A sophisticated Australian website developer specialising in internet security and watertight website infrastructure.

What does this mean?

When you order a product from Sweet Lilly Maternity and Lilly B, you can rest assured our highest security checks are in place to make sure your details do not fall into the wrong hands.
